

OFF THE VINE

Artisanal WINE-BASED Fruit Preserves

It was a warm summer afternoon. We were in the middle of a nice Haitoglou Family Foods outing, sitting on our patio, enjoying the wonderful Greek scenery and the authentic flavors our Chef had proudly prepared. The wine was excellent, as was the fresh fruit and the mouth-watering variety of cheeses.

Suddenly, a glass full of wine was spilled on the fruit platter, bringing an unexpected visitor: Inspiration! Our Chef had a brilliant idea - to combine fine wine and fresh fruit into a new and extraordinary preserve. A few months later we tasted the first flavor, Peach & Sauvignon, as amazing and delightful as the first time!

And that is how "Off the Vine" was born: a novel range of wine-based fruit preserves, that combine the elegance of the finest wines with the fresh flavor of delicious, select fruit. Preserves that will thrill even the most demanding food enthusiasts as a teasing spread, a smart topping, an out of the box dressing or the ultimate addition to an elegant cheese platter.

Enjoy it and share it with your friends and family.

It's Off the Vine, on your plate and in your memories!
